

What is Lift?

LIFT is a high-foaming neutral detergent for handwashing dishes, glasses, utensils, cutlery, and pots and pans. It can be used with glass, china and metal surfaces.

Key Benefits

- ✓ LIFT suspends food residues and rips through fatty films.
- ✓ LIFT is gentle on the hands – can't be beaten for dishwashing.
- ✓ LIFT is economical to use.
- ✓ LIFT has a non-residual fresh lemon perfume.

How Does It Work?

LIFT will remove food, grease, protein matter, cooking fats and oils from china, glass and metal surfaces. Its excellent capacity for removing fats and food residues makes LIFT an ideal pot-wash detergent. LIFT works effectively in soft and hard water.

For Use On...

LIFT is a high-foaming, neutral detergent for cleaning dishes, glasses, utensils, cutlery and pots and pans by hand washing in the kitchen sink. LIFT is also excellent for general cleaning where a neutral detergent is required.

Technical Data

Composition

LIFT is formulated with premium surfactants and foam boosters which attack and disperse soilage matter. It contains a subtle lemon perfume. LIFT is coloured with a food dye. It is non-toxic and non-corrosive.

Properties

- COLOUR – Transparent, thick green liquid
- ODOUR – Lemon-scented
- pH = 7 ± 0.5 (neutral)
- FOAM – Very high foam level with good stability

Environmental Care

LIFT conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. LIFT is non-flammable, phosphate-free and biodegradable. LIFT containers will be cleaned and reused if returned to Agar Cleaning Systems Pty Ltd., significantly reducing plastic usage and waste. They can also be recycled.

Quality

The design, manufacture and supply of all Agar chemical products is controlled by the Agar Quality Management System which is registered and externally audited by SAI Global as complying with the requirements of AS/NZS ISO 9001 "Quality Management Systems – Requirements".

First Certified: 30 April 1996

SAI Certificate No.: QEC7358
