

Product Data Sheet

Product Code: NO

Issued: July 7, 2020

What is Novadet?

A concentrated detergent for rapid removal of dirt and spillages from polished floors and all other hard surfaces.

Key Benefits

- ✓ NOVADET is aggressive on dirt.
- ✓ NOVADET cleans fast and completely.
- ✓ NOVADET is low-alkaline and biodegradable.

How Does It Work?

This highly active cleaner with deodorant action suspends dirt and soil so it won't redeposit onto floor, does not need rinsing from floors, and will not harm alkali-sensitive finishes.

For Use On...

NOVADET will remove all dirt and spillages including foodstuffs, drinks and cooking oils and general traffic dirt from floors and walls. NOVADET will clean waxed and polished floors, walls, glass, terrazzo, marble, slate and other surfaces needing a low-alkaline cleaner. Use by mop, sponge or autoscrubber. NOVADET is an excellent scrub-back detergent for polished floors when used at stronger concentrations.

Technical Data

Properties

COLOUR – Transparent pink liquid
ODOUR – Pleasant rose perfume
pH = 9.0 ± 0.5 (at use concentration)

FOAM – Low to medium foam height, suitable for autoscrubbers, mopping and manual scrubbing.

Environmental Care

NOVADET conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. NOVADET is non-flammable and non-caustic. NOVADET is biodegradable. NOVADET containers will be cleaned and reused if returned to Agar Cleaning Systems Pty Ltd., significantly reducing plastic usage and waste. They can also be recycled.

Colour Coding

Product identification is made easy with the Agar Colour Coding system. We have 11 different categories of product

that are identified by colour and number. The product itself has this colour. Also, the colour and number are shown:

1. On the bottle label as supplied.
2. On the matching Dispenser Spray Bottle.
3. On the product chart for Colour Coded Cleaning.

This system has benefits of reducing the chance of using the wrong product, making compliance and staff training easy, showing that the correct products are being used and providing information about usage, dilution and first aid.

Product	Code Colour	Code Number	Type
NOVADET	pink	1	All purpose and floor cleaners

NOVADET is a Colour Code 1 (pink) product.

Quality

The design, manufacture and supply of all Agar chemical products is controlled by the Agar Quality Management System which is registered and externally audited by SAI Global as complying with the requirements of AS/NZS ISO 9001 "Quality Management Systems – Requirements".
First Certified: 30 April 1996 SAI Certificate No.: QEC7358

Application

- **Heavy duty cleaning:**
Use at 1 part NOVADET in 50 parts water. This is ¾ cup per bucket of water, 1L per tank (small scrubber) or 2L per tank (large scrubber).
- **Light duty cleaning:**
Use 1 part NOVADET in 100 parts water. This is ½ cup per bucket of water, ½L per tank (small scrubber) or 1L per tank (large scrubber).
- For scrubbing back polished floors prior to re-coating, use 1 part NOVADET in 20 parts water and scrub with blue pads. Pick up and rinse with hot water.

Available in: 1L, 5L, 20L
