

# SURFACE CLEAN

## SPRAY AND WIPE

### BENEFITS:

- Removes permanent markers
- Cuts through grease and soil
- Does not contain any butyl solvents
- Contains a pleasant perfume

SURFACE CLEAN is a multipurpose spray and wipe formulation specifically designed to remove difficult stains without the use of butyl solvents. SURFACE CLEAN exceeds the performance of competitive butyl cleaners without the use of hazardous chemicals. The high foaming detergent system used in SURFACE CLEAN assists in penetrating, removing and suspending difficult soils and stains. SURFACE CLEAN may be used in kitchens, offices, healthcare and industrial settings, schools, commercial buildings and many other areas.

SURFACE CLEAN is safe to use on most surfaces including, bench and counter tops, sinks and basins, stove tops, glass, porcelain, formica and stainless steel. SURFACE CLEAN is effective at removing permanent markers from desk tops in schools and other areas. SURFACE CLEAN also performs superbly as a concrete cleaner. The high foaming detergent system penetrates the porous concrete surface to lift and suspend ground in dirt and difficult to remove soils. Please note: SURFACE CLEAN is not suitable for use on painted surfaces.

### DIRECTIONS FOR USE

#### PRODUCT USE

#### DILUTION RATIO

#### APPLICATION

#### Spray & Wipe

Permanent ink & heavy soils      Use undiluted      Spray Bottle

Normal soils      200mL/Litre of water      Spray Bottle

#### Concrete Cleaning

Heavy Soils      50mL/Litre of water      Apply to floor and scrub with a brush

Normal Soils      25mL/Litre of water      Apply to floor and scrub with a brush

**SAFETY DATA:** Information is listed in the Safety Data Sheet.

**HEALTH AND SAFETY STATEMENT:**

There is no way of predicting an individual's response to cleaning or disinfecting products. All cleaning and disinfecting products have potential to cause skin and other irritation in susceptible individuals. Direct physical contact with the skin should be avoided. If irritation does occur when using this product or any other cleaning/disinfecting solution then the individual should be removed from direct contact with the solution until a satisfactory safe working environment for that individual is determined.

**ENVIRONMENTAL STATEMENT:**

Whiteley manufactures products that comply with Australian and International environmental policies. Whiteley aims to ensure that every product is 100% biodegradable, whilst achieving optimal performance and benefit to customers. All Whiteley products are supplied in 100% recyclable containers.

Whiteley and its staff are fully committed to ensuring that our Australian environment and those international environs in which our products are used are enhanced by the use of technology, and that these environments are preserved for the enjoyment of future generations.
