

What is Vantage?

VANTAGE is a fragrant, powerful, all-purpose detergent that cleans, sanitises and deodorises all hard surfaces in one step.

Key Benefits

- ✓ Attacks dirt of all kinds
- ✓ Kills germs and prevents bad odours
- ✓ Long-lasting fresh fragrance that eliminates odours
- ✓ Economical – 5 litres makes 400 litres of solution

How Does It Work?

VANTAGE is a 3-in-1 product that functions as a detergent, sanitiser and deodoriser. The ingredients in this product have been selected to attack soilage and emulsify fats, to kill germs and deodorise surfaces with a fresh perfume.

For Use On ...

VANTAGE will remove a wide variety of soilage including spillages, foodstuffs, drinks, dirt and tough soil residues from all washable hard surfaces. It is ideal for use on floors, walls, bins, benches, tiles and stainless steel.

Technical Data

Properties

COLOUR – Transparent red liquid
ODOUR – Fresh Fragrance
pH = 13 - 14
FOAM – Medium foam height

Environmental Care

VANTAGE conforms with all statutory environmental requirements. It is based on non-toxic ingredients selected to perform efficiently so there is no waste or damage. VANTAGE is:

- ✓ Non-flammable
- ✓ Based on biodegradable surfactants.

VANTAGE containers will be cleaned and re-used if returned to Agar Cleaning Systems Pty Ltd, significantly reducing plastic usage and waste. They can also be recycled.

Colour Coding

Product identification is made easy with the Agar Colour Coding system. We have 11 different categories of product that are identified by colour and number. The product itself has this colour. Also, the colour and number are shown:

1. On the bottle label as supplied.
2. On the matching Dispenser Spray Bottle.
3. On the product chart for Colour Coded Cleaning.

This system has benefits of reducing the chance of using the wrong product, making compliance and staff training easy, showing that the correct products are being used and providing information about usage, dilution and first aid.

Product	Code Colour	Code Number	Type
VANTAGE	orange	7	Heavy duty detergent

VANTAGE is a Colour Code 7 (orange) product

Quality

The design, manufacture and supply of all Agar chemical products is controlled by the Agar Quality Management System which is registered and externally audited by SAI Global as complying with the requirements of AS/NZS ISO 9001 "Quality Management Systems – Requirements".
First Certified: 30 April 1996 SAI Certificate No.: QEC7358

Application

- 1 part VANTAGE to 10 parts with water – for very heavy duty cleaning and disinfecting, degreasing and removing ingrained dirt.
- 1 part VANTAGE to 50 parts with water – for heavy soil removal.
- 1 part VANTAGE to 80 parts with water – for light duty cleaning and sanitising of ceramic tiles, vinyl flooring, porcelain, venetian blinds and all washable hard surfaces.
- Apply the solution by mop or spray. Allow to activate for a few minutes. Scrub lightly to break down thick spots of dirt.
- Rinse after use with clean water.

Available in: 5L

Agar Cleaning Systems maintains Safety Data Sheets (SDS) on all of its products. These sheets contain information that you may need to protect your employees and customers against health or safety hazards associated with our product. Agar Cleaning Systems recommends that you obtain a copy of the respective SDS sheet prior to using this product. The information in the Product Data Sheet is based on data we believe to be reliable. It is offered in good faith, but without guarantee, as conditions and methods of use of our product are beyond our control.
