

What is Speed?

SPEED is a fast-reacting, powerful detergent which is packed with grease-cutting agents, for all heavy-duty cleaning of hard surfaces.

Key Benefits

- ✓ SPEED makes light work of the dirtiest, oiliest cleaning jobs.
- ✓ It takes a lot of dirt to knock out SPEED's powerful cleaning action.

How Does It Work?

This concentrated detergent grease remover

- Rips through oil and dirt – won't redeposit onto floor
- Does not need rinsing from floors
- Contains biodegradable surfactants
- Has low suds – ideal for use in autoscrubbers

SPEED will remove grease, oil, greasy cooking fat, smoke films, ink stains and food spills. SPEED may also be used as a floor polish remover.

For Use On...

SPEED is a solvent detergent cleaner which is specially formulated for use in steam cleaners, autoscrubbers, mop-buckets or by spray-and-wipe.

It will remove substances from floors, equipment, machinery, paintwork, ceramic tiles, quarry tiles, concrete, walls, ovens, barbeques and vinyl upholstery

Technical Data

Properties

- COLOUR – Transparent fluorescent red-orange liquid
- ODOUR – Faint solvent odour
- pH = 11 ± 0.5 at use concentration (1:50)
- FOAM – Medium foam of low stability

Environmental Care

SPEED conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. SPEED is non-flammable and biodegradable. SPEED containers will be cleaned and reused if returned to Agar Cleaning Systems Pty Ltd., significantly reducing plastic usage and waste. They can also be recycled.

Colour Coding

Product identification is made easy with the Agar Colour Coding system. We have 11 different categories of product that are identified by colour

and number. The product itself has this colour. Also, the colour and number are shown:

1. On the bottle label as supplied.
2. On the matching Dispenser Spray Bottle.
3. On the product chart for Colour Coded Cleaning.

This system has benefits of reducing the chance of using the wrong product, making compliance and staff training easy, showing that the correct products are being used and providing information about usage, dilution and first aid.

Product	Code Colour	Code Number	Type
SPEED	orange	7	Heavy duty detergent

SPEED is a Colour Code 7 (orange) product

Quality

The design, manufacture and supply of all Agar chemical products is controlled by the Agar Quality Management System which is registered and externally audited by SAI Global as complying with the requirements of AS/NZS ISO 9001 "Quality Management Systems – Requirements" .

First Certified: 30 April 1996

SAI Certificate No.: QEC7358
