

Product Data Sheet

Product Code: SOL

Issued: December 10, 2019

What is Solspray?

SOLSPRAY is a powerful, grease-cutting cleaner which rapidly attacks and removes soilage from carpets and hard surfaces.

Key Benefits

- ✓ Suspends dirt and soil - no need for rinsing
- ✓ Specially designed for spray/wipe cleaning
- ✓ Ideal carpet prespray - breaks down dirt and stains prior to extraction cleaning
- ✓ Excellent carpet steam detergent for synthetic fibre carpets.

How Does It Work?

SOLSPRAY is a powerful greasecutting cleaner which attacks and dissolves dirt from carpets and hard surfaces.

SOLSPRAY will remove all soils including dirt, food spills, greasy oil films, fat, carbon and smoke deposits, bathroom build-ups, lipstick etc.

For Use On...

SOLSPRAY will clean hard surfaces – walls, stoves, laminex, glass, shower recesses, paintwork, venetian blinds, porcelain, stainless steel, chrome etc. Soft surfaces – vinyl upholstery, synthetic fibre carpets and rugs. Solspray is not suitable for cleaning cotton or leather upholstery.

Technical Data

Composition

SOLSPRAY is a concentrated solvent cleaner, grease remover and spotter for spray/wipe application.

Properties

COLOUR – Transparent, colourless liquid
ODOUR – Mild solvent odour
pH = 11.5

Environmental Care

SOLSPRAY conforms with all statutory environmental requirements. It is based on safe ingredients selected to perform efficiently so there is no waste or damage. SOLSPRAY is non-flammable and biodegradable. Containers are recycled wherever possible.

Colour Coding

Product identification is made easy with the Agar Colour Coding system. We have 11 different categories of product that are

identified by colour and number. The product itself has this colour. Also, the colour and number are shown:

1. On the bottle label as supplied.
2. On the matching Dispenser Spray Bottle.
3. On the product chart for Colour Coded Cleaning.

This system has benefits of reducing the chance of using the wrong product, making compliance and staff training easy, showing that the correct products are being used and providing information about usage, dilution and first aid.

Product	Code Colour	Code Number	Type
SOLSPRAY	grey	2	Spray and wipe cleaners

SOLSPRAY is a Colour Code 2 (grey) product

Quality

The design, manufacture and supply of all Agar chemical products is controlled by the Agar Quality Management System which is registered and externally audited by SAI Global as complying with the requirements of AS/NZS ISO 9001 "Quality Management Systems – Requirements".
First Certified: 30 April 1996 SAI Certificate No.: QEC7358

Application

Spray/wipe cleaning

Dilute to 1:5 to 1:20 parts water depending on soilage.

Pre-spotting carpets

Use neat. Spray into soiled area of carpet and allow to soak in for 10-15 minutes before extraction. Pre-test on an inconspicuous area to ensure carpet is colourfast. Solspray should be neutralised after use if applied to wool carpets.

Carpet cleaning

Dilute to 1:50 parts water for heavily soiled carpets. Pre-spot as indicated above.

Available in: 5L, 20L

Dispensing Accessories:

Agar Cleaning Systems maintains Safety Data Sheets (SDS) on all of its products. These sheets contain information that you may need to protect your employees and customers against health or safety hazards associated with our product. Agar Cleaning Systems recommends that you obtain a copy of the respective SDS sheet prior to using this product. The information in the Product Data Sheet is based on data we believe to be reliable. It is offered in good faith, but without guarantee, as conditions and methods of use of our product are beyond our control.
