PROFESSIONAL G5

THE EXPERT FOR CARPETS: TOUGH, LIGHT AND VERSATILE

The single motor SEBO PROFESSIONAL G5 vacuums high traffic carpets efficiently and easily. Depending on the pile height, its brush can be adjusted manually. Even hard-to-reach edges can be cleaned perfectly with the help of the practical telescopic hose and tube. Service friendly design makes maintenance of the machine very easy. The SEBO PROFESSIONAL G5 comes in a wide working width to suit the floor space to be cleaned. It is the perfect choice for customers with allergies and asthma as it is equipped with an S-Class filtration. Many well known flooring manufacturers recommend it for the daily cleaning of carpeted floors.
